From the Pastor's Desk
November 1 & 2, 2025

The Devil Wants You to Believe this.

Live your life knowing this.

GOD does not exist.

It is just foolish to think

That there is a God with a cosmic plan

That an all-powerful God brings healing to the pain and suffering in the world

It is a comforting thought, however

Is only wishful Thinking

People can do as they please without eternal consequences

The idea that

Hell is real

Because of sin

Is a life meant to make you a slave or a those in power?

The more you have, the happier you will be

Without God

Our existence has no grand meaning or purpose

Everything is fine without God

It is ridiculous to think

In this world,

I am lost and need of saving.

God says, believe in Me with all of your heart, mind and know the Truth.

(Now read it from the bottom to the top, and see how different the life can be without God.)

Blessings, Fr. Andrew
